

## CYLINDER TOOLS & ACCESSORIES

### Muscle Man Carts

Reduce personal injury claims and put the Muscle Man Tank Dollies to work for you. The Muscle Man series of tank dollies are capable of moving a full 420 lb cylinders, which will allow you to drop a full cylinder to a customer site and do the hook-up all in one trip. They can also accommodate 100# cylinders, various sizes of compressed gas cylinders and 55 gallon drums of fuel oil.
